A PORTRAIT OF A GIRL ON FOUR FRIDAYS

The orange folder is put away.

Girl in blue socks sleeps while other girl photographs her.

Girl wearing red pants sits with her legs crossed.

Brandon

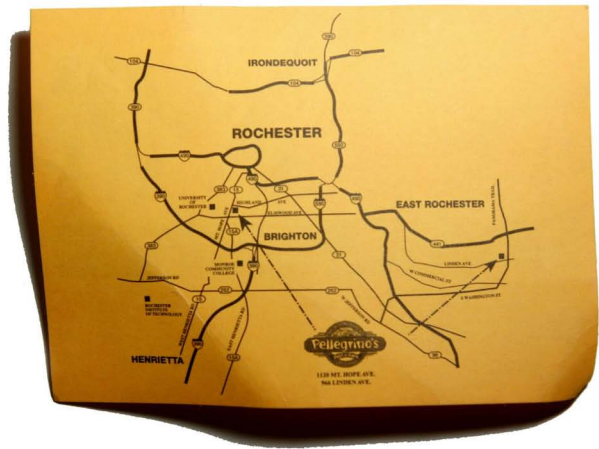

She checks her phone while wearing rubber boots.

A PORTRAIT OF THE SAME GIRL ON THE THIRD FLOOR.

Girl smiles in front of blinking light.

Girl wearing blue and white striped hat says "Hey!"
"Hey!" says the boy eating a snack.

Girls with flowers.

A STORY OF AN OBJECT THAT BEGINS ON A FRIDAY
AND ENDS SIX DAYS LATER.

I made eye contact with a stranger.

I thought that that first specimen of the day had blown away.

Days later, when I saw the red table cloth,
the specimen fell to the floor.

A PORTRAIT OF A GIRL I SEE SOMETIMES,
WHOSE NAME I OCCASIONALLY REMEMBER

"Aren't they all estimations?"

INSPECTED
#21

?

"What's in your print box?"

"Prints," she says with an audible smile.

Her smile always disconcerts me.

A PORTRAIT OF A MAN WHO I THINK I'LL REMEMBER
IF I JUST STARE LONG ENOUGH.

He always looks at me funny.

PICTURES OF PLACES I FREQUENT.

A PICTURE OF A PLACE WHERE I MOSTLY GO TO EAT LUNCH,
BUT SOMETIMES I LOOK AT THE BOOKS.

Man says "excuse me" before going in the "exit" door.

Checking out books from friendly library worker.

A PICTURE OF A PLACE WHERE I DO NOT LIVE, BUT PASS BY DAILY.

Three guys playing basket ball surrounded by sodium-vapor lights.

People on stoop with cigarettes and guitar.

Loud laughter heard through open window.

PICTURES FROM MY NEIGHBORHOOD.

Dogs barking near "No Outlet" sign.

Little kid staring, then hiding behind van.

White cat in window of white house.

Looking out the window, watching it snow
and thinking about flowers.

Blowing kisses goodbye.
